6. Regulation of Structures

Our Woodstock Green is small by comparison to other village greens and has the unique attribute of being in the middle of a major east/west highway (Route 4) while surrounded by some of Woodstock’s most elegant and historic homes. Special care must be taken with our plantings so no vehicles will be allowed on the Green for this event.

- a) Stall space is rented on the basis of square plots ten feet on each side. Vendors must provide their own tables and a canopy if desired. No large stakes may be driven into the ground. No permanent structures are allowed.
- b) Spaces will shift week to week from close to the rail and then close to the path so to preserve the lawn. The Market committee will assign vendor spaces.
- c) All booths, stands and displays are subject to Market Committee approval.

7. Parking

- a) UNLOADING: Vendors will have six reserved parking spaces at the west end of the Green for unloading. As soon as product has been unloaded, the vendors will need to move their vehicles to the parking lot of the Elementary School on School Street (or in a designated area during the school season) for the duration of the market.
- b) **Metered and non-metered spaces near or around the Green are not to be used by vendors during the Market and must be left for customers in order to maximize attendance.**
- c) Vendors may again park in the spaces at the west end of the Green to load products and tables back into their vehicles at the conclusion of the Market.

General Market Regulations

- a) Each vendor must keep his or her space and surrounding area clean. Vendors who sell items that may be consumed at the market must provide their own trash receptacles. Barrels at either end of the Green provided by the Town of Woodstock are for customer use only.
- b) Consumption of alcoholic beverages is not permitted at the Market except for tastings offered by an approved Vermont wine vendor.
- c) Vendors are not allowed to smoke near the market booths during market hours as it detracts from the market’s wholesome atmosphere. Please move to the other end of the Green if you wish to smoke.
- d) Each vendor is responsible for cleaning and vacating his or her space by 7:00 PM on Market Day.
- e) Vendors are required to notify the Market Coordinator at least 24 hours in advance if they are unable to attend the Market so that a replacement can be contacted.
